

PRODUCT BROCHURE

WHAT WE DO

A VISIONARY FMCG GROUP

Unity Foods Limited aims to provide food for life.

We transform crops into products that serve the vital global needs of the food sector. We have diversified our business portfolio to operate with an assorted product mix for the global breadbasket, handling various agro commodities to connect them from the farm to the dining table. Our diverse portfolio includes **Cooking Oil, Staples** (Flour, Rice, Salt, Kitchen Essentials, Lentils & Pulses), **Confectionery, Bakery Products, Specialized Fats & Animal Feed Ingredients** for poultry & livestock. Through continuous innovation and a customer-centric approach, we offer tailored solutions that enhance product portfolios and drive profitability for our customers.

COOKING OIL & BANASPATI

Our cooking oil, enriched with Vitamins A, D, E, and Omega 3 & 6, are offered under trusted brands such as **Sunridge Oil, Dastak, Ehtimam, Lagan** and **Zauqeen** ensure exceptional purity with double refining and a cholesterol-free promise. Our Banaspati range, fortified with Vitamins A and D, offers a fully refined blend with a balanced fatty acid composition for a healthier choice.

STAPLES

Our diverse range of premium staples includes **Whole Wheat Flour, Rice, Salt, Lentils & Pulses, All-Purpose Flour, Semolina and Chickpea Flour**. Fortified with Iron, Zinc, Folic Acid, and Vitamin B12, our flour is crafted to provide enhanced nutrition for healthier, stronger families.

CONFECTIONERY

Our **Good Goodies** range offers wholesome indulgence enriched with Energix for a nutritious boost.

ANIMAL FEED INGREDIENTS

Catering to the poultry and livestock industries, our feed ingredients are marketed under the **Pure** brand, promoting animal health and productivity.

BAKERY PRODUCTS

Sunridge presents a wide array of **180+ freshly baked products** crafted from our premium staples, including cakes, breads, cookies, sandwiches, savories, and desserts, catering to local tastes. For global markets and exports, we offer an exquisite selection of premium biscuits, and a delightful range of savory snacks, thoughtfully crafted to satisfy even the most discerning palates.

SPECIALIZED FATS

Tailored to meet diverse industry requirements, our specialized fats range includes:

- **Confectionery Fats:** Milk Fat Replacers, Coating & Creaming Fats, and Cocoa Butter Substitutes that enhance texture, quality, and performance in confectionery applications.
- **Bakery Fats:** Products like BONSHORT, expertly designed for ideal texture, melting properties, and superior results in bakery and filling applications.
- **Dairy Fats:** Specifically formulated to deliver optimal mouthfeel, consistency, and performance in dairy-based products such as cheeses, creams, yogurts, and baked goods.
- **Non-Dairy Fats:** Plant-based oils, margarine, and fat blends crafted to provide desired texture, stability, and flavor in non-dairy products. Perfect for vegan and lactose-free alternatives, including dairy-free spreads, ice creams, and confectionery.

SOAP & HYGIENE SOLUTIONS

Our versatile range of products includes **laundry soaps, soap noodles, dishwash bars, dishwash liquids** and **liquid handwashes**, all designed to ensure superior cleanliness and hygiene. Expertly formulated for optimal performance, these solutions deliver effective cleaning while preserving freshness and gentle care.

**WHERE
WE DO IT**

Equipped with state-of-the-art facilities strategically positioned across Pakistan's four provinces, we are setting new benchmarks in quality and innovation. These centers of excellence enable us to deliver premium, fortified products that cater to the diverse needs of both local and global customers with unmatched precision and care.

- Neutral in taste and free from any unpleasant odor.
- 100% Cholesterol Free

INTENDED USAGE: Cooking, Shallow/Deep Frying, Sauteing, making Sweets

PACK SIZES:

1 Ltr x 1, 5 Ltr, 16 Ltr

AVAILABLE PACKAGING:

Pillow Pouch Carton, Tin

SHELF LIFE:

12 months

ZAUQEEN BANASPATI

ATTRIBUTES:

- Enriched with Vitamin A & D
- Contains good composition of Fatty acids
- Rich blend of Palm oil, Soybean and Canola oil
- UHT treated, double refined
- Appetizing aroma, grainy texture and great taste
- High oxidative stability
- High smoke point
- Contains natural oxidants

INTENDED USAGE: Cooking, Shallow/Deep Frying, Sauteing, making Sweets

PACK SIZES:

1 Kg x 5, 5 Kg, 16 Kg

AVAILABLE PACKAGING:

Pillow Pouch Carton, Tin

SHELF LIFE:

12 months

SPECIALTY FATS

BONSHORT (BAKERY SHORTENING)

PRODUCT DESCRIPTOR:

Bonshort can be tailor-made to meet the texture and melting requirements of various bakery and filling applications. It is a premium shortening derived from fractionated, bleached and deodorized palm oil. It imparts good plasticity and ease of use at ambient temperature.

BENEFITS:

- Good plasticity
- Leavening and tenderizing effect in dough products
- Provides a good texture and shortening effect for biscuits and cookies

PACKAGING:

20kg Carton

CERTIFICATION:

KOSHER, Halal,
ISO 9001:2008
and ISO 22000:2005

ULTRA CHOCO (COCOA BUTTER SUBSTITUTE)

PRODUCT DESCRIPTOR:

A premium grade Cocoa Butter Substitute (CBS which is fully refined, bleached and deodorized), derived from palm kernel stearine under the most selective conditions of fractionation and hydrogenation processes.

BENEFITS:

- Has a neutral taste that does not affect the original taste of the product
- Increased heat resistance
- Good stability against oxidation
- Significantly higher hardness that gives the product its crunchy crumble

PACKAGING:

20Kg Carton

CERTIFICATION:

KOSHER, Halal,
ISO 9001:2008
and ISO 22000:2005

BONKOTE (COATING & CREAMING FATS)

PRODUCT DESCRIPTOR:

Bonkote is a fully refined, bleached and deodorized hydrogenated palm kernel oil. It is widely used in bakery and confectionery applications such as cream fillings in biscuits, wafers, caramel and vermicelli.

BENEFITS:

- Most suitable in replacing Cocoa butter confectionery coating
- It is odorless and bland in taste with a good stability against oxidation
- It can be added in desirable proportion to achieve specific hardness

PACKAGING:

20Kg Carton

CERTIFICATION:

KOSHER, Halal,
ISO 9001:2008
and ISO 22000:2005

BONKRIM (MILK FAT REPLACERS)

PRODUCT DESCRIPTOR:

Bonkrim is a fully refined bleached, deodorized and selectively hydrogenated coconut oil. It is an ideal lauric form of Milk Fat Replacers (MFR), made from a special blend of vegetable oils and fats. They can be used to replace milk fat in many products such as ice cream, sweetened condensed milk, vegetable cheese and other confectionery products.

BENEFITS:

- In ice creams, it produces a very stable and fine crystalline structure
- Fat is highly resistant to oxidation
- Has a bland taste and is completely odorless

PACKAGING:

20kg Carton

CERTIFICATION:

KOSHER, Halal,
ISO 9001:2008
and ISO 22000:2005

SOAP RANGE

DASTAK LAUNDRY SOAP

PRODUCT DESCRIPTION:

Infused with a flowery fragrance, our laundry soap is made with PFAD (Palm Fatty Acid Distillate) which makes it soft on your clothes, but tough on stains.

PACK SIZE:

125 gm, 175 gm 250 gm, 350 gm etc.

SUNWASH DISHWASH BAR

PRODUCT DESCRIPTION:

Sunwash dishwash bar features a 3X power high-foam formula enriched with natural ingredients like lemon, neem, and vinegar. It effectively removes grease and odors, leaving utensils sparkling clean.

PACK SIZE:

55 gms, 85 gms, 165 gms, 265 gms & 530 gms bars

SHELF LIFE:

5 Years

SUNWASH DISHWASH LIQUID

PRODUCT DESCRIPTION:

Sunwash dishwashing liquid is powered by a 3X high-foam formula, enriched with natural ingredients such as lemon, neem, and vinegar. It effortlessly eliminates grease and odors, leaving your utensils brilliantly clean and sparkling.

PACK SIZE:

5 Ltr & 10 Ltr Can

SHELF LIFE:

3 Years

ROSHAN DETERGENT

PRODUCT DESCRIPTION:

Roshan Detergent ensures clothes stay brilliantly bright, perfectly clean, and infused with a refreshing scent.

PACK SIZE:

20 Kg Bag

SHELF LIFE:

3 Years

SUNBLISS HANDWASH

PRODUCT DESCRIPTION:

Enriched with natural ingredient extracts, it gently cleanses and nourishes the hands, leaving them soft, refreshed, and beautifully fragrant.

Available in colors white, pink, green, purple, yellow & blue.

PACK SIZE:

5 Ltr & 10 Ltr Cans

SHELF LIFE:

3 Years

SOAP NOODLE RANGE

BROWN SOAP NOODLES

INTENDED USAGE: Laundry Soap Bars

PACK SIZE:

- 25Kg PP bag.

SHELF LIFE:

- 24 months

WHITE SOAP NOODLES

INTENDED USAGE: Beauty & Toilet Soap

PACK SIZE:

- 25Kg PP bag.

SHELF LIFE:

- 24 months

ANIMAL FEED RANGE

PURE PALM KERNEL EXPELLER (PKE)

PRODUCT DESCRIPTOR:

Palm Kernel Expeller (PKE) is a by-product of the palm oil extraction process from the fruit of the palm.

PKE is a quality stock feed containing high levels of crude protein and medium energy levels. It is completely safe to feed as a supplement for most classes of livestock. PKE is ideally suited to feeding in conjunction with high energy feeds such as molasses or Biscuit Cereal Meal.

TYPICAL NUTRITIONAL ANALYSIS

Dry Matter	90%
Protein	17%
Energy (ME)	11.7 MJ/kg DM
NDF	54%
Crude Fibre	17.5%
Fat	8-10%

FEEDING RECOMMENDATION:

Suitable for feeding to lactating dairy cows. Requirements will differ depending on the current diet. As a guide, if feeding PKE, you should introduce slowly to adult dairy cows at 500g per cow per day, increasing to a maximum of kg per cow per day.

STORAGE:

Store in a dry area and ensure all precautions are taken to store away from bird and rodent infestation.

RAPSEED MEAL

ATTRIBUTES:

- Rich source of high-quality protein, supporting growth and development
- Provides a well-balanced amino acid profile for overall animal health
- Offers energy support through its carbohydrate content
- Contains essential minerals and vitamins for optimal animal performance
- Low levels of anti-nutritional factors, making it safe for consumption
- Versatility in use across various animal diets
- May improve feed efficiency when used correctly
- Contributes to the overall health, growth and productivity of livestock & poultry
- Valuable and sustainable feed option for the agricultural industry
- May improve feed efficiency when properly incorporated into animal diets

SOYBEAN MEAL

ATTRIBUTES:

- High-quality protein source with all essential amino acids, supporting growth and muscle development
- Excellent digestibility, ensuring efficient nutrient absorption and utilization
- Balanced amino acid profile, complementing other feed ingredients in animal diets
- Contains essential minerals and vitamins for overall animal health and vitality
- Versatility in use across various animal diets, offering flexibility in formulation

CANOLA MEAL

ATTRIBUTES:

- Rich source of protein (around 36-38% crude protein) with a well-balanced amino acid profile
- Good digestibility, ensuring efficient nutrient absorption and utilization by animals
- Low in anti-nutritional factors, making it safe for consumption
- Provides energy support through its carbohydrate content
- Contains essential minerals and vitamins for optimal animal health and productivity
- Environmentally sustainable as a byproduct of canola oil extraction, reducing waste
- Versatile use in various animal diets, offering flexibility in formulation
- May improve feed efficiency when properly incorporated into animal diets

YELLOW MAIZE

ATTRIBUTES:

- High energy content, supporting body temperature, physical activity, and metabolic needs
- Improves weight gain and growth, beneficial for beef production and finishing
- Enhances milk production in dairy cattle, leading to higher milk yields
- Rich source of starch, providing readily available energy and supporting rumen health
- Complements other protein-rich feeds, creating a balanced and cost-effective ration
- Palatability, encouraging consistent feed intake and supporting overall health
- Improves feed efficiency, ensuring efficient conversion of feed into meat or milk
- Flexibility in feeding, allowing various forms and formulations based on nutritional requirements

RICE BRAN

ATTRIBUTES:

- High energy content
- Moderate protein levels
- Supports digestion with fiber
- Palatable to cattle
- Provides essential vitamins and minerals
- Improves coat condition
- Promotes weight gain
- Cost-effective feed ingredient

WHEAT BRAN

ATTRIBUTES:

- Rich in dietary fiber for digestive health
- Provides a source of energy for maintenance and moderate needs
- Contains essential nutrients, including vitamins and minerals
- Palatable to cattle, encouraging feed consumption
- Can add bulk to cattle feed without excessive calories
- Cost-effective as a byproduct of wheat milling
- Best when used as part of a balanced diet, not as the sole energy or protein source
